**AMENDMENT TO THE PORTLAND CITY CODE CHAPTER 17**  
**RE: FACIAL RECOGNITION TECHNOLOGY PROHIBITION**

**WHEREAS**, the residents of the City of Portland value privacy as an essential element of their individual freedom; and

**WHEREAS**, facial recognition technology and other biometric surveillance technology pose unique and significant threats to the civil rights and civil liberties of residents and visitors; and

**WHEREAS**, the use of facial recognition technology and other biometric surveillance is the functional equivalent of requiring every person to show a personal photo identification card at all times in violation of rights guaranteed by the First, Fourth, and Fourteenth Amendments to the United States Constitution; and

**WHEREAS**, this technology allows people to be tracked without consent, generating databases about law-abiding Portlanders that may chill the exercise of free speech in public places; and

**WHEREAS**, facial recognition and other biometric surveillance technology has been repeatedly demonstrated to misidentify women, young people, and people of color and to create an elevated risk of harmful "false positive" identifications; and

**WHEREAS**, facial recognition and other biometric surveillance would corrupt the core purpose of officer-worn body-worn cameras by transforming those devices from transparency and accountability tools into roving surveillance systems; and

**WHEREAS**, the use of facial recognition and other biometric surveillance would disproportionately impact the civil rights and liberties of persons who live in highly policed neighborhoods, and its use would diminish effective policing and public safety by discouraging people in these communities, including victims of crime, undocumented persons, people with unpaid fines and fees, and those with prior criminal history from seeking police assistance or from assisting the police;

**NOW, THEREFORE, BE IT ORDERED, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PORTLAND**, that the Portland City Code is hereby amended by adding an Article, to be numbered XI, which said Article reads as follows:
